SUMMARY

Results-driven Full Stack Developer with hands-on experience in designing, developing, and deploying scalable web applications using React.js, Next.js, Node.js, Express.js, and MongoDB. Strong understanding of RESTful APIs, authentication systems, and performance optimization. Adept at translating business requirements into efficient technical solutions while following clean code and best development practices.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Tailwind CSS

Backend: Node.js, Express.js, REST APIs

Database: MongoDB

Tools: Git, GitHub, Postman, VS Code

Core Competencies: Full Stack Development, Authentication, API Integration, Responsive Design, Performance Optimization

PROFESSIONAL EXPERIENCE

Divam Technologies — Full Stack Developer

June 2025 – Present

- Developed and maintained scalable web applications using React.js and Node.js.
- Built RESTful APIs using Express.js and integrated MongoDB for secure, scalable data storage.
- Implemented user authentication and role-based access control.
- Optimized application performance and improved UI/UX using reusable components and clean architecture.

KEY PROJECTS

E-Commerce Platform | React.js, Node.js, MongoDB

- Developed a full-stack e-commerce application with product listings, cart functionality, and user authentication.
- Implemented RESTful APIs and secure database integration for scalable architecture.

Foody Zone | React.js

- Built a responsive food listing application with category-based filtering and search functionality.
- Focused on component-based architecture and optimized UI performance.

Firebase Contact App (CRUD) | React.js

- Implemented complete CRUD operations using Firebase Firestore.
- Integrated real-time data updates and form validation.

Weather App | HTML, CSS, JavaScript

- Integrated public weather API to fetch and display real-time weather information dynamically.
- Designed a clean and responsive user interface.

Student-Teacher Booking Appointment System | HTML, CSS, JavaScript

- Developed an appointment booking system with form handling, validation, and user-friendly interface.

EDUCATION

Master of Computer Applications (MCA) — JECRC University, 2025

Bachelor of Computer Applications (BCA) — Rajasthan University, 2023
